

HOUSING AUTHORITY **REQUEST FOR TENDER** **PROVISION OF AFFORDABLE HOUSING MODEL**

At the heart of our mission—“*Helping Fijians Own Affordable Homes*”—is a commitment to modern, innovative, resilient, and high-quality housing solutions.

With several locally and internationally developed alternative construction technologies proven suitable for large-scale housing in Fiji, the Housing Authority has carefully identified and endorsed the most promising options. We now invite all interested parties to submit a Request for Tender with detailed housing model proposals that meet our criteria for delivering affordable, durable homes to our low- to medium-income market.

- **Meet Fiji Building Code standards**
- **Provide security and comfort**
- **Innovative Design and Building Technology**
- **Cyclone certified**
- **Climate resilient**
- **Affordable**
- **Quick construction timelines**

The Housing Authority invites interest from reputable, experienced, technically and financially sound companies, firms, contractors/ developers, Joint Ventures for the construction of houses/ buildings using technologies on design built basis.
